A.S. • PALETTES

EXCLUSIVE UNIQUENESS

Please note that these palettes must be considered as reference; the delivered item may look slightly different being many the things affecting the ultimate graining and coloration of natural stone and terracottas, such as underground springs, mineral deposits, earth shifts, temperature, natural solutions in the earth and pressure.

Enjoy **A.S. EXCLUSIVE UNIQUENESS**, we really feel proud about. It is not just about the product, each A.S. sound module is a very special and inimitable piece of **Sound Art**.

BASIC Stones

PREMIUM Stones

All stones not included in the "**Basic**" family are considered "**Premium**". Please verify with A.S. staff the availability and prices of ANY stone. The above mentioned variations are just a reference, but we will do our best in order to meet any needs of personalization and customization for your special projects.
